

# Counseling & Art Therapy Bridge Program

Graduates meet the educational requirements for **counseling licensure**

Graduates secure **jobs** in a variety of clinical, educational, medical, and human-service settings

**Combine creativity with your passion for helping others through counseling and art therapy.**

Ursuline offers one of just two art therapy bachelor's degree programs in Ohio, and it's the only place you can earn a dual master's degree in counseling and art therapy in the state. Ursuline's Art Therapy to Counseling and Art Therapy Bridge Program enables you to take up to 9 graduate level credits while still an undergraduate that will count towards both your bachelor's degree in art therapy and your master's degree in counseling and art therapy. By participating in the bridge program, you will save on both tuition and time.
