## Superintendent Licensure Program

### Take your career to the next level.

Join Ursuline's superintendent licensure program to further develop your professional skills in areas such as hiring and developing personnel, the district strategic plan, facility management, levies and bond issues, school-community relations, and more.

- Cohort program with one class at a time approach
- Convenient location and class times for the working professional
- Entire program completed in 16 months
- Experienced, accessible, and helpful faculty
- Easy application and payment process
- Matches NELP Standards (national SPA), the Ohio Standards for Superintendents, and the Education Unit Conceptual Framework

### Course Sequence
