

SOUNDTRACK OF MY YEAR

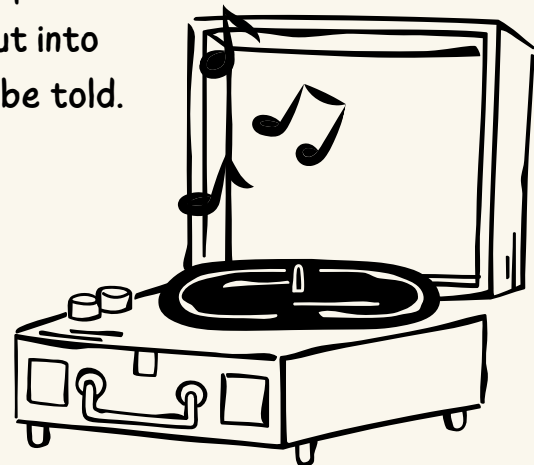

HIGH SCHOOL WRITERS: **INSCAPE** WANTS YOUR VOICE!

What stories make up the soundtrack of your life?
For the 2027 edition of Inscape Literary Magazine, we're inviting
high school students to share their creative writing with us!

1. We accept poetry, short stories, plays, and personal or creative essays.
2. Identify themes or categories that represent different aspects of your year. Think about celebrations, challenges overcome, friendship moments, favourite memories or any theme that resonates with your experiences.
3. A panel of judges will select the top three high school submissions to be published in the 2027 edition of Inscape. Each winner will also receive a hard copy of the magazine featuring their work!
4. This year's theme, "The Soundtrack of Us," celebrates the moments, people, emotions, and experiences that shape who we are. Your submission does not have to be about music—we want to hear the stories and ideas that matter to you. Write about a memory you can't forget, a person who changed you, a feeling you've struggled to put into words, or simply a story you believe deserves to be told.
5. **READY TO SHARE YOUR WORK?**
