

Online

Business Management Program

Receive **credit**
for what you've
already learned

Design your career in business.

Combining the traditional liberal arts curriculum with theoretical and applied business practices, the Business Management Program educates students for meaningful managerial positions in business, government and non-profit organizations.

This 100% online program provides working adults with the flexibility to learn about the entire business organization and gain an understanding of economics, marketing, accounting, and finance through practical work assignments.
