## Ursuline Nurses are in high demand.

For more than 30 years, Ursuline College's Breen School of Nursing has maintained a stellar reputation in Metro Cleveland's healthcare community. Graduates of the program are sought-after nursing professionals who have a solid educational foundation and become leaders in the city's top hospitals.

The online RN to BSN degree program is designed for working professionals looking to advance their nursing practice and earn a bachelor's degree. In addition to transfer credits, students are eligible to receive up to 40 escrow/bypass credits for previous nursing courses. With a competitive tuition rate compared to other online programs and nine start times per year, it is one of the most flexible programs in the region.
