

Business Management

Careers

A degree in Business Management prepares students with the skills necessary to obtain an entry-level management position or move on to an MBA program. Some of the positions you can pursue with this degree include:

- Development Associate
- Account Executive
- Sales Manager
- Project Manager
- Human Resources Manager
- Clinical Research Manager
- Director of Communications
- Network Associate
- Marketing Representative
- Office Manager
- Sports Tourism Director

Enter the business world with confidence and consciousness.

Join the next generation of business leaders who care as much about social impact as much as they do profit. Ursuline's bachelor's degree program in Business Management allows you to develop a solid foundation in all aspects of business. The curriculum includes courses that expand your skills and knowledge, as well as possible areas of focus that will best meet your needs and goals for the future.

Ursuline has achieved specialized accreditation through the International Assembly for Collegiate Business Education, which means this program exceeds all 18 industry standards of excellence in business education.

"I loved the opportunity to get a completely different type of experience in a business setting that is focused around helping others."

MBA Bridge Program

Ursuline's Business Management to MBA bridge program allows business students to begin taking graduate-level courses while they're finishing up their undergraduate degree. Not only does this allow students to complete their master's program more quickly, it allows students to pay the undergraduate tuition rate for the graduate-level courses that they take before receiving their bachelor's degree!

Students can take up to 4 MBA classes while enrolled as an undergraduate student.
